We owe much acclaim to the POM PON squad of the 1974-75 season. At camp they won two second place trophies, three second place ribbons, and one first place ribbon. Also among their list of accomplishments, they had successful car washes that raised money for their funds.

1974 MAROON FOOTBALL was in many ways successful. It was one of the hardest working groups of young athletes that we, the coaching staff have had the pleasure of working with. There were many adversities that affected this team's drive and desire to be a winner, but even after the loss of their quarterback they had enough pride to come from behind and win the home-coming game against a very strong DeKalb team.

There were many dedicated players on this team with two of them, Jon Kramka and Wally Nelson, being named Co-Captains by their teamates. These two players were outstanding leaders who never lost their ability to lead even though the results were disappointing.

The coaching staff hopes that the lessons learned on the football field will be carried out in whatever each of 1974 football players chooses to tackle in the future.

One of the most exciting of the many Chesbrough-coached Maroon squads, the '75 Marrons compiled a 21-4 season record. Led by All-Stater guard Derrick Mayes the Marrons finished at the top of the tough Up State eight conference with a perfect 14-0 slate. The first time in conference history the feat was accomplished. After losses to Waukegan and Maine South, the team became the runningest, jumpingest, passingest quartet in recent Elgin High School History.

Reflecting on my first year at Elgin High School I must first of all say that it has been the most challenging and exciting year of my life in my profession. Looking back, I see the opening weeks of school, meeting and getting acquainted with this staff, parents, and the enthusiastic student body as all being most important. Next, I had to learn something about the exceptionally fine curriculum which is an intergral part of Elgin High School. It became apparent that we could be proud of our many faceted extra-curricular programs which encompass the fields of music, art, drama, social groups, and athletics, to mention just a few.

Surrounding all of these parts of our total program and woven through their very fine fabric are the great traditions which continue to be so important at Elgin High School. They lend flavor and character to all our endeavors. My heartfelt gratitude to all staff members, parents, and students who by their hard work and spirit of cooperation have made this year a memorable one for me and contributed to the success and excellence of Elgin High School. Thank you.

Richard F. Felicetti
Principal

The making of a yearbook requires a lot of hard work. Quite a few people have helped out to make this year's MAROON just what it is. The MAROON 75 STAFF would like to thank our administration, faculty, alumni, Leander Studio, Mr. Wiseman, Mr. Eder, American Yearbook Company, Mr. Daniels and Debbie Horn. Also Mr. Felicetti and we congratulate him on his first successful year at EHS.
